

Liza

Product Categories: [Armchair/Lounge Chair](#), [Frigerio](#)
Product Page: <http://marquishqo.com/product/frigerio-3/>

Product Summary

The characteristic truncated cone shape of this chair is enhanced by the exceptional coupled lining of leather and fabric with contrasting color shades, patterns and tailoring that stretches from the seat and wraps itself around the upper frame. The latter is left almost completely exposed, thus becoming a centerpoint of the overall composition, to the point that the cover can also be removed to unveil it entirely.

Product Description

The characteristic truncated cone shape of this chair is enhanced by the exceptional coupled lining of leather and fabric with contrasting color shades, patterns and tailoring that stretches from the seat and wraps itself around the upper frame. The latter is left almost completely exposed, thus becoming a centerpoint of the overall composition, to the point

that the cover can also be removed to unveil it entirely.
