Product Summary

FoxHole is a family of outdoor and indoor products made of a three seater sofa, an armchair, and two occasional tables. The whole family is based on a geometrical powder-coated steel rod structure.

Product Description

FoxHole is a family of outdoor and indoor products made of a three seater sofa, an armchair, and two occasional tables. The whole family is based on a geometrical powder-coated steel rod structure. The two square occasional tables in different sizes and heights are a side table and a low table. Available in white, black, dark grey, turquoise blue, curry yellow or chromed. The table top is a 5mm transparent tempered crystal.
